Welcome Message

Welcome to the department of Finance and Accounting. The department was founded in 1964 with the constitution of the then faculty of Commerce. The department is charged with the responsibility of teaching and examining Finance and Accounting courses at the University of Nairobi as well as spearheading research and developments in its areas of responsibilities among other University wide responsibility.

Our goal is to provide long life learning amongst our students through a professional focus underlined by sound academic processes. The department provides high tactical and practical training in Finance and Accounting. The department therefore expects the student to work hard, read widely and engage in self learning.

The Department introduced specialized Master of Science in Finance in May 2011 and is in the process of launching Bachelor of Science in Accounting, Bachelor of Science in Finance and Bachelor of Science in Risk Management & Insurance.

DR. MWANGI W. MIRIE
